## Mayco Introduces Creative Images

**Creative Images** is a process that copies images, photos, and digitally created artwork onto special image paper using **specific laser printers or copiers**. These images are then applied to ceramic surfaces and fired for a permanent, food safe finish.

Any image that can be copied can be produced as a transfer image, including photos or illustrations and personal images such as hand-written notes, invitations and recipes.

Creative Images are packaged and sold as follows:

- LA-601 Creative Images Starter Kit – contains instruction booklet, flyer, 5 sheets of image paper, 1 pint each of SC-16 Stroke & Coat® Cottontail glaze and S-2565 Series 2000™ Cloud White opaque glaze, and a squeegee (to help apply the transfers). \$79.95
- LA-602 Creative Images Refill Kit – contains instruction booklet and 10 sheets of image paper. \$99.95

**Line Art** is a series of line drawings, graphics, common words and phrases that can be fired onto bisque or glazed surfaces. After firing, projects can be completed using ceramic glazes or acrylic paints or stains. If used with glazes, Line Art will sustain re-firings up to cone 06. There are 6 assorted sheets per set for \$29.95.
