Molds must be picked up or shipped by the end of October
or the additional discount will be lost.**

There is a 5% Mold Packing charge added to mold orders needing shipped from OCS.

Delivery Schedule

Included with this mailing is our Delivery Schedule for September '06 through February '07. Please note that there will be no deliveries the week of Thanksgiving or the last 2 weeks in December.

Crest Molds

The owners of Crest Molds are ready to retire and they have announced that the mold portion of their business will cease operations by the end of the year. After over 45 years in business they are certainly deserving of some rest.

Crest Molds is available for purchase. Only the mold division is for sale. Satellite and Unique Colors, Bell China Paints, and Regal Porcelain are not for sale. Anyone wanting to discuss purchasing the mold division may call 1-318-697-4401 and ask for Betty. **Crest molds will be on special in October.**

Duncan & Mayco Bisque

Orton VentMaster

Regularly \$395.00

Orton invented downdraft venting over 12 years ago and it is the standard used to vent electric kilns. With downdraft venting, gases are pulled out of the kiln near the bottom of the kiln and then mixed with room air and exhausted to the outside through a duct.

Downdraft venting systems are considered better than hoods because they improve firing conditions in the kiln while removing essentially all fumes from the kiln room. VentMaster does not transfer any vibration to your kiln, is capable of venting two kilns at once **and is easy to install!**

X-TREME
 Dimensions™

New Items from Mayco

Two new beautiful mattes have been added to Mayco's 2000 series non-toxic glazes -- S2242 Orange and S2243 Mustard Yellow.

They've also added to the Non-Toxic Specialty line with **SG301 Glitter Glaze** and **SG302 Snowfall**. Glitter Glaze adds a subtle sparkle to any project and Snowfall has great potential - not only for the obvious but as a dimension surface that can be tinted using glazes such as Stroke & Coat.

Line Art is a series of line drawings, graphics, common words and phrases that can be fired onto bisque or glazed surfaces. After firing, projects can be completed using ceramic glazes or acrylic paints or stains. If used with glazes, Line Art will sustain re-firings up to cone 06. There are 6 assorted sheets per set for \$29.95.

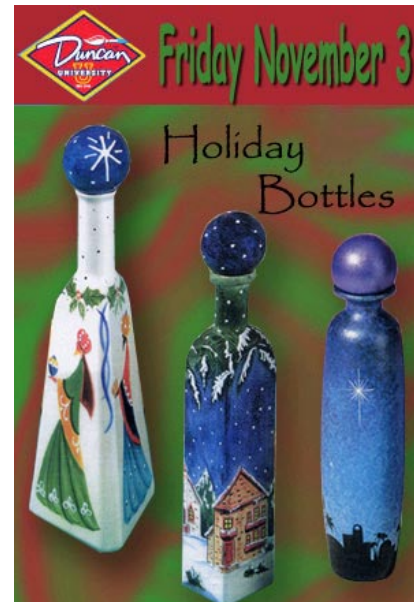

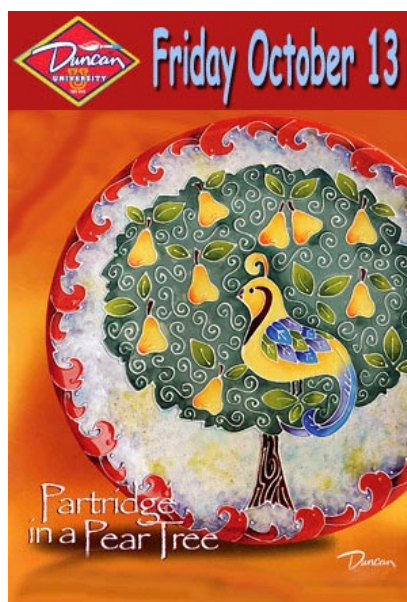

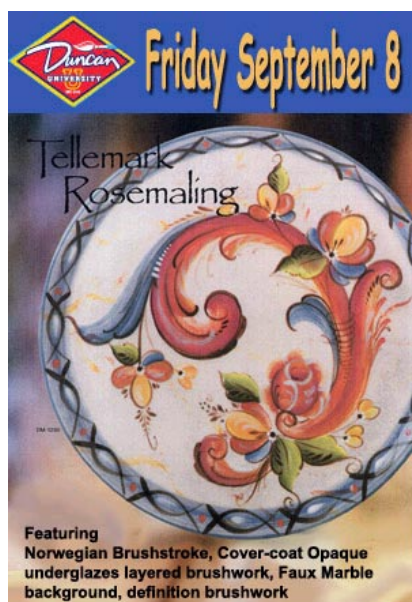

LA501 Wedding/Love ~ LA502 Baby ~ LA503 Girl Power
LA504 Birthday ~ LA505 Holiday

Watch our next mailing for Line Art available already on tiles and bisque.

Details and New Fall Bisque can be seen at the Mayco web site: www.maycocolors.com
